Project Title : India's Agricultural Crop Production Analysis(1997-2021)
Duration : 12 Days

Overall Project Progress
 100%

★ MENTOR INSTRUCTIONS

1. Refer the project description, milestones, activities, and references to understand the project deliverables.
2. Provide your GitHub details to collaborate with the project workspace repository.
3. Update the project completion status by moving the cards to review in Kanban board (under Task & Progress).
4. Ensure that all project deliverables are uploaded to GitHub. Project deliverables include
 - Uploading the required files (files which you have worked on) to the collaborated Git repository.
 - Update the project report/description in the doc writer.
 - Add the screenshots of your work and the output either in the writer or on Git.
 - Upload the links of the application which you have developed in the writer if any.
 - Upload a project demonstration video at the end of the project to GitHub (Optional).
5. Once the project completion status is 90%, the mentor will review and approve the same.
6. You can interact with mentors by writing comments on the activity cards.
7. Upon successful completion of the project, a project completion certificate will be generated.
